

## 🔍 What is SEND?

Special educational needs and disabilities (SEND) can affect a person's ability to learn. They can affect their:

- behaviour or ability to socialise, for example they struggle to make friends
- reading and writing, for example because they have dyslexia
- ability to understand things
- concentration levels, for example because they have attention deficit hyperactivity disorder (ADHD)
- physical ability

Medway council have their own page about SEND and what they offer children, young people and adults . Click the link below to find this page and all the information it offers.
